I wanted to take a minute to let you know what an amazing camp we have planned for your middle schooler this year! After 3 years we have outgrown our old facility and we're so excited to be headed to Riverview! Not only will this allow for more students to experience God at camp, but it also opens the doors for dozens of new exciting activities! Check out the brochure for more info about all the fun we're packing in to this week. I can say without a doubt that there is no way they'll be bored!

This year our theme is "Dangerous Faith". The idea is to share stories with students about Christians from Bible times and more recently whose faith was far from safe and easy. It is our goal to challenge students wherever they're at in their walk, even if they have not accepted Jesus yet. It's amazing to see the transformation take place as they begin to think for themselves, challenge their previous beliefs and build anchors of faith in their lives that they will hold to for the tough years ahead. Every year we're amazed at the power of God as He works in and through us at summer camp.

If your son or daughter does 1 thing this summer – this should be it.

We realize gas prices are up, groceries are up, taxes, you name it... We have done everything we can to keep our camp costs low and at an absolute break-even.

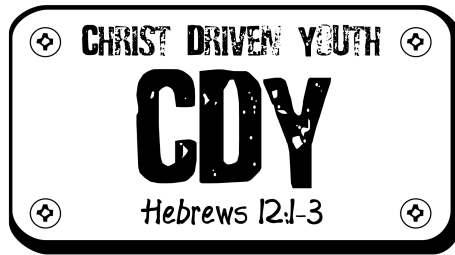

We do not make any money on camp.

Please look over the list of camps and camp fees on the back of this letter and we pray you'll make sending your son or daughter to this camp a priority.

God Bless you & thanks again for making this week a priority this summer.
