Does your church and denomination believe in the following statements (please check each statement that you are in agreement with):

Agree

We believe the Bible to be the inspired, infallible, authoritative and inerrant Word of God. It was written by human authors under the supernatural guidance of the Holy Spirit.

We believe that there is One God, eternally revealed to the world in the Father, the Son – Jesus Christ, and the Holy Spirit. All things were created by Him and for Him.

We believe that God sent His Son – Jesus Christ, to redeem all of mankind. Jesus Christ was born of a virgin, lived a sinless life on this earth, was crucified for our sins, buried and was raised from the dead on the third day. **We believe that Jesus is God.** By the name of Jesus Christ, and His name only, can mankind be saved. Jesus Christ sits at the Right Hand of the Father and will return someday to receive His Church unto Himself.

We believe in the multi-faceted work of the Holy Spirit to bring conviction of sin, revelation of God's Word and spiritual truth, and guidance in doing what is right. As Christians we seek to live under His control daily.

We believe that mankind has a sinful nature and will perish without the saving knowledge of Jesus Christ as revealed in His Gospel. Only by trusting in Jesus Christ and God's offer of forgiveness can anyone be saved from sin's penalty – death.

We believe that every Christian should be baptized in water **by immersion** as Christ modeled, as the Bible commands, and as the early church demonstrated. In the early church, the normative way for expressing one's repentance and personal decision to place faith in Jesus Christ (confession of faith) was through baptism. Salvation can only be received through personal faith in Jesus Christ. Faith is the essential human response to Christ and baptism is the ceremonial means given by God for expressing and sealing it.

We believe that the church should be elder-governed and that God has ordained that only scripturally qualified heterosexual men will be appointed to serve the congregation in the role of Elder and/or Senior Pastor.

We believe we are called individually and corporately to reach the world for Jesus one person at a time and to make biblical disciples in relational environments. This is lived out by sharing the Good News of Jesus Christ, baptizing those who respond, and journeying with them with other believers in authentic relationship to develop disciples who can make disciples.
