

Booklist for "One Minute After You Die" Sermon Series

"One Minute After You Die" starts this weekend (April 25th-28th)! We're all pretty fired up about this series, and I definitely think it's a must-hear! Please emphasize this to your life group members so they don't miss out; it's also a great series to invite your unsaved friends and family to—everyone wonders about what happens after we die, and a lot of people have different ways of answer those questions. We're going to look at what God says!

If questions come up in group that you can't answer or would like the answers to, email askreallife@reallifeministries.com!

If you could only pick one book from the list to read, we'd recommend *What Happens After You Die* by Frazee. *TouchPoints* was a close second. And if you have kids, *Heaven for Kids* is perfect.
